## PIGS IN THE NEWS!

### PIG OF A DOCTOR

All Americans remember the pig that was elected President in 1968. But did you know there's a pig in the news today? A pig named 'Piggy' has been elected to the House of Representatives. This is a big deal for pigs. The House of Representatives is the lower house of the US Congress. It's made up of 435 members. 'Piggy' is the first pig to be elected to the House. He's a member of the House of Representatives. He's a member of the House of Representatives. He's a member of the House of Representatives.

1. To re-make 'Star Wars' with me as Han Solo... My greengrocer as Darth Vader... and the dog next door with a bucket on his head as 'B2 D2'.

Oh Mull of Taperley

o tell Linda McCartney  
... as they might argue).

4. To change places with 'He-Man, Master of the Universe'... so I can get the top off my lemonade bottles without spraining my wrist.

5. To put my mum's pink hair-dryer back as it was before I altered it to win that important blow-football match.

6. To stop taking the short cut home when I'm out shopping for my mum, (as...even though the short cut is fantastic, it's a longer way home).

... to take home a

outer space ...  
called "Dez".

8. To beat the World record for twiglet eating... (without being sick).

9. To Keep My fantastic Radio
